

<p style="text-align: center;">Application form for exemptions based on Previously Acquired Qualifications (PAQ)</p>

Application forms (electronic or paper version) are to be submitted to the study itinerary counsellor of your programme/department. **Deadline 1st semester: 15 October.** Students who enroll after the 15th of October have 7 calendar days to submit their application. Applications for second semester courses can be submitted up to and including week 23 of the academic year.

The application request must contain the [application form](#) + supporting documents.

The PAQ dossier is judged on content, learning results, level and scope.

- Content or learning results: must correspond to a large extent
- Level: you can not use a credit from a bachelor course (level 6 from EQF) to ask exemption for a master course (level 7 from EQF)
- Scope: the amount of ECTS- credits should be similar

We cannot process your application without a complete dossier!
