STEP 2: ID card

You have the choice to:

- Read in your Belgian identity card with an e-ID card reader; OR
- Enter your own data (via 'I cannot read my card...') and upload a scan/photo of your ID.

ID card

Step 2 of 8

If you do not have an electronic card reader, it is very important that you fill in your personal information correctly. Always use your official details (do not use nicknames, for example) and do not forget to upload your passport photo. We need this to create a student card for you.
